3. In reply the Registrar in his letter No 6206 dated the 4th April 1904, stated that the Comptroller's Docket No 674/183 dated the 2nd August 1902, the abstract Contingent bills referred to in Perst-No 22 and a book mentioned in Perst-No 8 of the Committing Magte's record were not received by him, and requested their return

4. Thereupon, the papers that had been left in this Office by Clerk J. Rama swamiaja of the Special Commrs. Office before this to enquire to dispose were examined but the missing papers & book were not found among them.

5. Thereafter the several dockets of this Office with which the records of the enquiry had been returned to the several Officers Concerned were examined, and the abstract Contingent bills referred to by the Registrar were found to have been sent to the Comptroller with this Office docket No C 4921 dated 4th May the 4th April 1904. Said Officer was accordingly requested to return those bills and to send a Copy of this docket of the 2nd August, 1962, to the Sessions Judge, Hassan with

with which the bills had been sent by him these papers have now been received from the Comptroller

6. As to the missing book, it will be seen on a refee to the list of Contents of the Committing Magts record that a note in red ink "sent separately" has been made against serial No 8, and that on a further reference to the papers bearing that number (8) the book is therein described as a band book of blank foolscap papers. It seems that the red ink note was not made in this Office and so a further search and enquiry as to, that book should be made in the Chief Court itself.
